++ Valid for broadcast between 1800 and 0600

Headline:
Largely dry, bright and cold today.

This Evening and Tonight:
A largely dry evening and night although the odd shower cannot be ruled in the far north, wintry over higher ground. Occasional clear spells for most otherwise, making it a cold night with a fairly widespread frost. Minimum temperature -2 deg C (28 deg F).

Monday:
A dry but cold, frosty start for many, with bright or sunny spells. Turning cloudier with scattered showers during the afternoon, wintry over high ground, particularly in the north. Maximum temperature 4 deg C (39 deg F).

Outlook for Tuesday to Thursday:
A wet and windy day on Tuesday, with snow for many though gradually becoming confined to high ground. Rain and snow fading on Wednesday but perhaps continuing on Thursday.
